

# LIFT Middle School Programming 2024

LIFT Middle School Programming is available THREE days a week from dismissal until 5:30 PM. As a reminder, parents, along with family and friends approved, are responsible for picking all of their students up at that time, and for late pick-ups, a fee will be charged based on actual pick-up time. For any days there is no school, or school / after-school / sport activities get canceled due to weather, there will also not be LIFT on that day.

Mondays & Wednesdays, we will operate in and around the Northport community with Northport students only, while on Thursdays, programming will be joint with Suttons Bay - and Miss Meg will drive everyone down and back!

On Tuesdays and Fridays, LIFT will not operate specifically at Northport, but if you are able to get a ride to and from the Suttons Bay LIFT room, you are **always** welcome to attend programming there!

If you have any questions about our activities, needs or how to get involved, please contact Meg Jean (Northport Middle School Program Coordinator) at [meg@thecentersb.com](mailto:meg@thecentersb.com) or Emily Worden (Program Development Director) at (231) 538-7348 or [emilyworden@thecentersb.com](mailto:emilyworden@thecentersb.com)
