

LIFT

Programming

Summer 2024

LIFT Programming in the summer will be available Tuesdays, Wednesdays and Thursdays (barring any weeks with special events scheduled).

Here at LIFT, we're proud to offer summer programming to all **incoming** 6-12th graders in Leelanau County. Transportation is available on a first-come-first-served basis for all students living nine or fewer miles from Glen Lake Community, Northport Public or Suttons Bay Public Schools.

If you reside outside this nine mile radius, your student is still welcome to join us during summer as long as they have transportation to and from the day's activity location.

If you have any questions about our activities, transportation or how to get involved, please contact Stefanie Murphy (Glen Lake Middle School Coordinator) at 231-216-3553 murphys@thecentersb.com or Coda Mix (Suttons Bay Middle School Program Coordinator) at 231-787-2900 / codam@thecentersb.com.
