

LIFT

Summer Programming 2025

LIFT Programming in the summer will be available **Tuesdays, Wednesdays, and Thursdays** (barring any weeks with special events scheduled).

You can expect that most summer programming will take place for a few hours **between 10:00 AM and 4:00 PM**, though there may be occasional longer days for special trips or overnight experiences.

Here at LIFT, we're proud to offer summer programming to all **incoming** 6-12th graders in Leelanau County. Transportation is available on a first-come-first-served basis for all students living nine or fewer miles from Glen Lake Community, Northport Public, Leland Public, or Suttons Bay Public Schools.

If you reside outside this nine mile radius, your student is still welcome to join us during summer as long as they have transportation to and from the day's activity location.

If you have any questions about our activities, transportation or how to get involved, please contact your school's Program Coordinator!
